MODERN LARGE TOWNHOUSE

This well designed, modern townhouse has loads to offer. The main living area overlooks its own private courtyard - which makes it light and bright. All the bedrooms are upstairs and are exceptionally large for a townhouse. Each bedroom has ceiling fans and either mirrored doors or for the main - a walk in robe. Additionally, the main bedroom has a really, nice sized ensuite for that extra privacy. There is room to park 2 cars, 1 in the garage and a second in front. This townhouse offers a great opportunity for a savvy first home buyer or maybe some one looking to down size and or the astute investor.
